*Streamlined Workflow for Every Step.*

## Streamlined Workflow for Every Step.

From sophisticated, semi-micro balances to large capacity industrial floor scales, the OHAUS portfolio has weighing solutions to fit every workflow. Our essential laboratory equipment include centrifuges, hotplate stirrers, shakers and more, as well as OIML and ASTM certified weights. Whether your customer's applications require sample preparation, advanced formulation, bulk packaging, or checkweighing, *OHAUS is your complete resource!*

### Explorer, Adventurer, Pioneer

High-precision  
5 place readability,  
Draftshield

**Semi-Micro  
Balances**

### Explorer, Adventurer, Pioneer, PR Series

Draftshield,  
Toploading, and  
Heavy-duty models

**Analytical  
& Precision  
Balances**

### Scout, Navigator Compass Series

Backlit Screens,  
Workplace and  
In-the-Field Weighing

**Portable  
Balances &  
Scales**
