

CERTIFICATE OF CONFORMANCE

Part No: See below
Lot No: Non-Specific
Description: Thickwall Polycarbonate Tubes

The follow part numbers are covered by this certificate:

343775	343776	343778	349622	355628
355629	355630	355631	355632	355635
355637	355645	355647	355657	355659
362305	363647			

The component(s) / specific lot(s) used in the assembly conform to Beckman print and process control specifications and are manufactured under ISO 9001:2008 guidelines.

The material used to fabricate the above listed parts are recognized by or otherwise comply with the FDA Code of Federal Regulations, Title 21 §177.1580, the FDA modified ISO 10993-1 testing, and the U.S. Pharmacopeia criteria for Class VI plastics.

**Valid for all current lot numbers, specific to these part number(s),
as of the date of issuance of this certificate.**

Issuance date: January 1, 2011
